Central Division is proud of the education program offered to members. Regular workshops are run by members for members. These workshops provide opportunities to learn new skills. Whether you are an experienced Toastmaster or new to the organisation, the workshop program has something for you as a presenter or participant.

- Do you need to present workshops as part of your employment?
- Do you want to present to larger groups?

The Central Division workshop schedule is the ideal place to advance your workshop and presentation skills. Each of the workshops available has a coordinators guide with the basic structure. ## ***Suggested Induction Ceremony***

The initial events experienced by new members play a significant role in the development of their long-term impressions about your club and the organisation. The induction ceremony is the first and possibly the most important event a new member will experience.

If you are conducting the induction ceremony, it is your responsibility to speak with the new member/s prior to the evening to ensure that they are aware of the induction and the roles of the mentor/s. It is also a good idea to speak with some of your fellow experienced members on the important role of being a mentor. The following is a very formal induction and strictly a guide only; it may be changed to suit your club's ethos.

---

Mr. /Madam Toastmaster, Fellow Toastmasters and Guests,

It is now my honour and privilege to induct a new member into the **(name of club)**. This is a very important occasion not only for our new member but also for our Club.  
**(Invite newest member/s to front of meeting room)**

**(Name of member)** being a member of Toastmasters means you've joined an organisation that's helped thousands of people worldwide. Membership in Toastmasters International is a privilege that carries with it many rewards. When you join Toastmasters you will find that a group of people who are dedicated to helping each other grow and improve their speaking and presentation skills in a spirit of fun, friendship and sharing.

To help you on your path of Toastmasters, you will have a mentor to guide you.  
**You can now choose to ask the mentor to stand and ask the following question:**

**(Mentor)** do you accept the responsibility of a Mentor and do you promise to share your knowledge and experience with **(new Member)?**  
**The Mentor (or another member) may now speak in support of the new member.**

**(Name of new member)** do you promise to abide by the rules and regulations of Toastmasters International and the Bylaws of **(name of club)**  
**In the more formal ceremony you would now to ask the Member to recite the following, however this is not compulsory.**

I **(Name of member)**, in the presence of my fellow members of the **(name of club)** Toastmasters club, make this firm obligation:

- To attend meetings regularly and prepare fully for each assignment
- To apply myself to the program outlined in the toastmasters manuals
- To participate actively in club activities
- To evaluate others in a positive, constructive manner
- To build open, friendly relationships with my fellow members, and
- To bring further members into the club so that they can also gain the benefits of Toastmasters.

Mr. /Madam Chairman, I move that **(Name of new member)** be granted membership of the **(name of club)** Club. **(Chairman then calls for a seconder and all those in favour, etc.)**

**This is where you can hand over to the member all relevant material, such as CC and CL manuals. Club guides, badges & certificates should also be presented at this time to officially acknowledge the new member.**

**'Where Leaders Are Made'**
